LOGOMARK - ICON

The Bulbanet — a fusion of Bulb and Planet — is a symbolic logomark created for Hack Athlone. It represents the spirit of hacking for space — where bright ideas (the bulb) meet the infinite possibilities of the cosmos (the planet).

MONOGRAM

The HA Monogram is a distilled representation of the Hack Athlone brand. It combines the initials H (Hack) and A (Athlone) into a bold, geometric mark that is instantly recognizable, even at small sizes. This monogram is ideal for use in digital spaces where the full logo may not be practical.
